

The Fernwärme-Forschungsinstitut in Hannover e.V. is looking for a

technical student

to support the team of the district heating institute and acquire skills in the following subjects:

- supply engineering
- ground and soil mechanic
- pipe building
- power engineering
- electrical engineering
- machine-building

We are looking for a person who likes team-work and at the same time has ideas and own initiative.

Knowledge of Excel, Word, PowerPoint, Access, etc. is desirable.

We look forward to hearing from you!

We offer a fair benefit.

If you like to work in a small team of motivated young scientists, do not hesitate to contact us with your regular CV!

Your contact person is:

Mr. Thomas Grage, phone: +49 (0) 511 94370-0, email: grage@fernwaerme.de

More about the FFI you can find out in the internet: <http://www.fernwaerme.de>
